## ANNUAL REPORT

*To the Board of Managers of the New York  
Bible and Common Prayer Book Society.*

### JOHN HOWARD VAN AMRINGE

The New York Bible and Common Prayer Book Society desires to place on record their sense of the deep loss they have experienced by the death of their Second Lay Vice-President, John Howard Van Amringe, Vestryman of Trinity Church, New York. Born in 1835, he devoted his whole life to the cause of education and to the service of Columbia College and University. He became tutor of mathematics in 1860, adjunct Professor in 1863, and Professor in 1865, which position he held until 1910, when he was made Emeritus Professor. He became Dean of the School of Arts in 1894, and Dean of Columbia College in 1896, holding this position until 1910. He became associated with this Society in the year 1899, and ever since that day took a warm interest in everything connected with the Society, being very seldom absent from any of the meetings during his long membership. The same qualities which endeared him to the students at Columbia made his associates in the work of this Society love and venerate him. Always courteous and cheery, he allied with these engaging qualities a great shrewdness in all business matters. Loyal to the Church and to this Society, his presence and his counsels will be sorely missed.

*New York, October 13, 1915.*

### GENTLEMEN:

In presenting the annual report of the NEW YORK BIBLE AND COMMON PRAYER BOOK SOCIETY, I would say at the outset it has not been possible this year to give immediate attention to all the demands made upon us. The contributions from churches and individuals have shown so marked a decrease that we have been prevented from responding as generously as we would wish to many who really need the Prayer Book and Hymnal in their work.

Your agent has received during the year 722 applications for the publications of the Society. Five hundred and ninety-eight of these applications have received attention. Action in regard to the remaining one hundred and twenty-four must be deferred until the funds of the Society permit of further donations.

The Society has distributed this year 553 Testaments, 5,510 Bibles, 34,023 Prayer Books, 28,342 Hymnals; a total of 68,428 volumes.

So much for the past. The future unquestionably will offer us greater opportunities for usefulness. Preaching stations, Missions, Hospitals, Institutions, and Churches, the world over, in increasing number will apply to us for help, and we must be prepared to grasp these opportunities and place our cherished book of service in the hands of all who are endeavoring to establish Christ's kingdom on earth.

If such work as this is to be accomplished and is worth while—and who can say it is not?—we will require more financial assistance than we have received in the past.

To all loyal Churchmen we make our appeal for such assistance, and of the Churches we would ask that the Whitsuntide collections be designated for the support of our Society. THE BIBLE AND COMMON PRAYER BOOK SOCIETY is not a Diocesan organization, but the ward of the whole Church, and therefore may rightly appeal for assistance to all who own allegiance to the Prayer-book Church.

Very respectfully yours,

R. M. POTT, *Agent.*

October 13th, 1915.
